DMA's Mission

DMA's Goals

- Ensure Master Cooperative Agreement (MCA) Programs requiring local match are sufficiently funded
- Ensure facilities and equipment are readily available and fully operational for soldier's training.

How DMA Operates?

An agreement between Government of Guam and the National Guard Bureau (NGB) establishes the procedure on how the National Guard is to be supported. This process is known as the Master Cooperative Agreement (MCA), which poses that Gov-Guam pay for services in advance and gets reimbursed for 75 percent or 100 percent depending on the program.

Demographics

Department of Military Affairs is a unique department in that its primary customer is the Guam National Guard (Army & Air).
